

More Clarinet Secrets: 100 Quick Tips for the Advanced Clarinetist

It takes considerable patience, hard work, and perseverance to achieve mastery on a musical instrument. Proper guidance is critical to success in music, and part of that guidance includes finding resources that provide up-to-date strategies for reaching your professional goals. More Clarinet Secrets: 100 Quick Tips for the Advanced Clarinetist does just that, revealing secrets of the trade that can increase your chances of thriving as a clarinetist and musical professional. A sequel to Michele Gingras highly praised first book, Clarinet Secrets: 52 Performance Strategies for the Advanced Clarinetist, this new book is a treasure trove of completely new information on how to turn clarinetists into informed musicians, offering them the tools they need to compete in the music world. Topics discussed include technique, tone and intonation, musicianship, reeds and equipment, repertoire, musicians health, and the music profession. In addition, Gingras supplies extra tips on such matters as college auditions, website design, and self-marketing. The pedagogical ideas gathered in this book are the result of Gingras more than 25 years of hands-on experience spent in the clarinet studio working with students. Advanced high school clarinetists, college-level clarinetists, and seasoned professionals will all find More Clarinet Secrets a valuable read.
