

Saunders Medical Assisting Exam Review

Thoroughly updated to reflect the latest CAAHEP and ABHES standards, Saunders Medical Assisting Exam Review, 3rd Edition helps you to prepare for and pass the CMA or RMA certification exam. Review core concepts and competencies at a glance and assess your understanding with a variety of realistic practice tests that simulate the exam experience and help you build test-taking confidence. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Updated content reflects current CAAHEP and ABHES standards and details the latest developments in Emergency Preparedness, the Electronic Medical Record, and more. New chapters reinforce your understanding of key concepts in Professionalism & Career Development and Nutrition. Current information keeps you up to date on the top 50 drugs most commonly encountered in practice. Information on ICD-10-CM and ICD-10-PCS provides a valuable introduction to the forthcoming billing and reimbursement code set. Updated laboratory tests and normal values familiarize you with current practices in testing technology. Additional illustrations clarify important concepts.
